# P A R T

## 1: Assessors Guide

---

## 1. Instructions to Assessor

### Introduction:

This assessment guide has been designed as a generic assessment guide and is intended for use by the accredited Security Industry Training Providers.

### Purpose of the assessment

The purpose of summative assessment against this unit standard is to:

- ◆ Award credits to the NQF to learners who are able to Handle and defuse security related conflict

### Learning assumptions

The following knowledge, skills, attitude and/or equivalent:

- ◆ A knowledge, comprehension and application of language at NQF 02.

### Assessment methods

The following assessment methods will be used for the summative assessments:

- ◆ Written and/or/verbal questioning
- ◆ Product sample and on site assessment

## 2. Assessment Process

### General

- ◆ Use the assessment guide and your latest company policies and standard operating procedures to assess the evidence received from the learner.
- ◆ Use the section: Addition Comments/Questions to note down any further comments or questions on the evidence assessed.
- ◆ Use the model answers as a guideline to assess the learner's answers to the assessment questionnaire.
- ◆ The learner can complete the assessment questionnaire orally. In this case, agree a date, time and venue.
- ◆ Provide the learner with a feedback within 10 working days of receiving the evidence.

---

**Step 1 - Planning for the Assessment**

Review this assessment guide to:

- ♦ Ensure that you understand all the requirements of the assessment in terms of evidence required to prove competence.
- ♦ Identify and prepare the learner for the assessment by:
  - ⇒ Completing the Assessment Plan with the learner to discuss and agree the details regarding the assessment.
  - ⇒ Completing the Assessment Preparation Checklist and getting the learner to sign.
- ♦ Ensure that you have familiarized yourself with the following:
  - ⇒ The various IT concepts and terminology.
  - ⇒ The basic operation of a computer
  - ⇒ The essence of backups and Company IT policies and procedures.

**Step 2: Complete the Assessment**

- ♦ Collect the evidence in accordance with the methods and evidence requirements specified.
- ♦ Mark each question as correct or incorrect in the “Office Use” column.
- ♦ Record the evidence on the assessment guide and indicate “Competent”, “Not Yet Competent” or “Not Assessed” for each assessment criterion. Note down any comments at the back of the assessment guide.
- ♦ Ask the learner additional questions, if necessary, to clarify points. Record these on the guide.
- ♦ All questions must be complete as per the criteria specified.
- ♦ Answers provided must be similar to the model answers.

**Step 3 - After the Assessment**

- ♦ Prepare the feedback by writing comprehensive, developmental feedback after each section on the Assignment Sheets. In addition to this, you are required to write a summary overall feedback on the Assessment Guide.
- ♦ Provide the feedback to the learner in a safe, undisturbed in nature.
- ♦ Ensure that your feedback is developmental and supportive in nature.
- ♦ Advise the learner on what action to follow in the event of a “Not Yet Competent” rating.
- ♦ Advise the learner on what action to take where he/she feels the need to appeal against your decision.
- ♦ Allow the learner time to provide you with feedback relevant to the process.
- ♦ Record the learner’s feedback in the guide and ensure that it is given to the person responsible for the quality assurance of assessment tools.
- ♦ Ensure that the learner co-signs the assessment guide to indicate agreement with the feedback.

---

### **3. Assessment documentation required:**

#### **Step 1: Planning for the Assessment**

- ♦ Assessment Plan
- ♦ Assessment Preparation Checklist
- ♦ Assessment Policy (including Appeals)
- ♦ Evidence Matrix
- ♦ Assessment Instruments

#### **Step 2: Conducting the Assessment**

- ♦ Assessor Guide
- ♦ Learner's workbook
- ♦ Summative assessment pack

#### **Step 3: After the Assessment**

- ♦ Assessment Comments
- ♦ Feedback Report

### **4. Specific Instructions**

Please note that Part 3 Assessment Instruments are not included in this guide and are to be included by the assessor on an individual basis.

The actual summative assessments need to be completed and signed off by both learner and assessor. The assessor will take control of the completed assessment instruments and will file them under the tab for Assessment Evidence.

The completed assessment pack will be kept in safekeeping at the training provider for three months after endorsement by SASSETA and will then be returned to the learner.

#### **Guidelines where an appeal is lodged**

The normal appeal procedure prescribed by SASSETA and described by the provider's Quality Management System will be followed.

**PRE-ASSESSMENT MEETING CHECKLIST**

| <b>ACTION</b>                                                                                                                                                                                                                                                                                               | <b>YES/NO</b> | <b>COMMENTS</b> |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------|-----------------|
| Set learner at ease; be friendly, polite and professional.                                                                                                                                                                                                                                                  |               |                 |
| Explain to the learner and agree on the following issues.<br><br>1. The unit standard that will be assessed<br>2. Date, time, venue and process to be followed during the assessment.<br>3. Summative assessment tools to be used for the assessment.<br>4. The assessment plan<br>5. Purpose of assessment |               |                 |
| Explain to the learner and agree on the role of all involved during the assessment process.                                                                                                                                                                                                                 |               |                 |
| Identify possible barriers and or disabilities of the learner.                                                                                                                                                                                                                                              |               |                 |
| Explain the meaning and application of RPL.                                                                                                                                                                                                                                                                 |               |                 |
| Explain, discuss and provide one complete set of the Appeals process documentation.                                                                                                                                                                                                                         |               |                 |
| Explain to the learner when final results will be available and how feedback will be provided.                                                                                                                                                                                                              |               |                 |
| Discuss previous assessment results if applicable.                                                                                                                                                                                                                                                          |               |                 |

I, \_\_\_\_\_ (initials and surname of learner), DECLARE THE FOLLOWING:

A copy of the unit standard(s) involved has been given to me prior to this meeting. I know I will be assessed against the criteria, which have been set to the applicable unit standards. The criteria have been discussed with me, and the procedures and purpose of the assessment has been clearly explained to me.

I am well aware of the venue, date and time that I will be assessed. I consider the period of time given to me to prepare myself for the assessment to be fair.

I understand clearly that I have the right to appeal against any decision made by the assessor during the assessment of the evidence provided by me, and that I have free access to the appeals procedures attached to this assessment pack. I understand that I have the right to be accompanied by another person during all procedures, and that I have free access to the Training Division of SBV'S Health and Safety Procedures- filed at the offices.

## 3: Assessment Evidence

---

## Assessment Instruments

### TAKE NOTE

The assessment instruments included in this assessment pack are all summative assessment instruments and are to be read in conjunction with the formative assessment instruments contained in the learner workbook. Both formative (workbook) and summative assessments are to be retained as part of the learner's portfolio of evidence.

A number of the assessment instruments contained in this assessment are workplace knowledge based questions.

This means that you will arrange with the learner, a time that is suitable, during which the learner will complete each questions.

**QUESTION 1: Multiple choice questions.**

The learner must indicate, by means of a cross, the most correct answer. Draw the cross through the correct answer in the space provided on the left of the most correct statement

1. The most common Operating System (OS) for small computers is.....  
  - [A] Microsoft Windows
  - [B] MacIntosh
  - [C] Microsoft Word
2. The two parts of a computer are.....  
  - [A] Zip Drive and CD
  - [B] Monitor and Keyboard
  - [C] Hardware and Software
3. The Central Processor Unit (CPU) is a.....  
  - [A] Place where your files live.
  - [B] Main chip on the computer that makes everything go.
  - [C] Space where your computer does its processing.
04. What is it called when you remove some information from a file or remove a file from the disk?  
  - [A] Save
  - [B] Edit
  - [C] Delete
05. What kind of a file is the kind that we care about most (memos, letters, pictures, etc.)?  
  - [A] Application File
  - [B] Document Files
  - [C] System Files
06. Using the desktop metaphore, what is the hard drive (and other kinds of storage media like floppy disks)?  
  - [A] File Cabinet
  - [B] Application Files
  - [C] Desktop

07. What do you do to get rid of a window that you've opened?

- [A] Delete
- [B] Trash
- [C] Close

08. What do you do when you make changes to a document?

- [A] Drag
- [B] Click
- [C] Edit

09. What menu command do you use to give a file a name and a place to live?

- [A] Save
- [B] Save As
- [C] Creating A File

10. Where do you move icons when you want to get rid of or delete them?

- [A] Recycle Bin or Trash
- [B] Document Files
- [C] Folders

11. What part of your computer do you use most to edit word processing documents?

- [A] Modifier Keys
- [B] Keyboard
- [C] Mouse

12. What do we call those small, pictorial representations of objects we see on the desktop?

- [A] Icons
- [B] List View
- [C] File menu

13. What can we create, rename and move around that allows us to sort out and organize our files?

- [A] Resize Box
- [B] System Files
- [C] Directories or Folders

14. What do we call it when you "loose" all the work you've done since the last time you saved?

- [A] Crash
- [B] Close
- [C] Recycle Bin

- 
15. What do we call pressing the mouse button twice in rapid succession?
- [A] Double Click
  - [B] Right Click
  - [C] Click
16. What part of a window that allows you to move through documents?
- [A] Mouse
  - [B] Keyboard
  - [C] Scroll Bar
17. What menu command allows you to go back to a document you've already worked on?
- [A] Save
  - [B] Open
  - [C] Save As
18. What is a synonym for "Opening" a program application?
- [A] Delete
  - [B] Drag
  - [C] Launch
19. What is the name of the most widely used operating system for personal computers?
- [A] Macintosh
  - [B] UNIX
  - [C] Windows
20. What do we call moving an object on screen with the mouse?
- [A] Double Click
  - [B] Click
  - [C] Press and Drag

**QUESTION 2:** Explain the consequences of not backing up your information.

---

---

---

---

---

---

---

---

---

---

|                                 |     |  |    |  |
|---------------------------------|-----|--|----|--|
| Requirements achieved           | YES |  | NO |  |
| Comments in support of decision |     |  |    |  |

---

---

---

---

---

**QUESTION 3:** Discuss the primary focus of a computer network.

---

---

---

---

---

---

---

---

---

---

|                                 |     |  |    |  |
|---------------------------------|-----|--|----|--|
| Requirements achieved           | YES |  | NO |  |
| Comments in support of decision |     |  |    |  |

---

---

---

---

---

**QUESTION 4:** Explain your understanding of “Hardware and Software”. Motivate your answer by also explaining how they work together.

[illegible]

---

---

---

---

---

---

---

---

---

---

---

---

|                                 |     |  |    |  |
|---------------------------------|-----|--|----|--|
| Requirements achieved           | YES |  | NO |  |
| Comments in support of decision |     |  |    |  |

---

---

---

---

---

---

**QUESTION 5:** Explain the term “virus” Motivate your answer by providing examples of at least three types of viruses that can occur on your computer.

---

---

---

---

---

---

---

---

---

---

|                                 |     |  |    |  |
|---------------------------------|-----|--|----|--|
| Requirements achieved           | YES |  | NO |  |
| Comments in support of decision |     |  |    |  |

---

---

---

---

---

**QUESTION 6:** As part of this module you will be required to complete the following tasks.

An assessor/supervisor/experienced colleague must be present to observe you as you complete the tasks **OR** you can provide a portfolio of evidence proving your competence.

| Did the learner:                                             | Yes | No | Comments |
|--------------------------------------------------------------|-----|----|----------|
| <b>Task No. 1</b>                                            |     |    |          |
| Switch the PC on.                                            |     |    |          |
| <b>Task No. 2</b>                                            |     |    |          |
| Log on and off using the computer.                           |     |    |          |
| <b>Task No. 3</b>                                            |     |    |          |
| Search for documents                                         |     |    |          |
| <b>Task No. 4</b>                                            |     |    |          |
| Open existing documents                                      |     |    |          |
| <b>Task No. 5</b>                                            |     |    |          |
| Create new folders                                           |     |    |          |
| <b>Task No. 6</b>                                            |     |    |          |
| Save documents                                               |     |    |          |
| <b>Task No. 7</b>                                            |     |    |          |
| Delete documents                                             |     |    |          |
| <b>Task No. 8</b>                                            |     |    |          |
| Performing a back-up procedure for documents and or folders. |     |    |          |
| <b>Task No. 9</b>                                            |     |    |          |
| Type out and print a letter                                  |     |    |          |
| <b>Task No. 10</b>                                           |     |    |          |
| Print documents                                              |     |    |          |

|                         |  |  |  |
|-------------------------|--|--|--|
| <b>Requirements met</b> |  |  |  |
