This material has been compiled based on the **UNIT STANDARD 117705 DEMONSTRATE KNOWLEDGE OF THE FIREARMS CONTROL ACT 2000 (ACT NO 60 OF 2000) APPLICABLE TO POSSESSING A FIREARM.**

The program has been accredited by SASSETA in the Republic of South Africa.

Material compiled by: Training Dynamics Africa

HOW THIS LEARNER WORKBOOK IS COMPILED

This learner workbook has been compiled to lead learners towards demonstrating knowledge of the Firearms Control Act 2000 (Act No 60 of 2000).

1. Demonstrate understanding of the statutory duties and obligations of firearm ownership as contained in the Act
2. Demonstrate understanding of the statutory prescriptions applicable to the possession, handling, carrying, storage and use of firearms as prescribed by the Act
3. Demonstrate understanding of the statutory prescriptions applicable to the possession and storage of ammunition as prescribed by the Act

You have to study the content and guidelines given in your learner reference guide to complete this workbook.

Remember that this completed workbook must be handed in as it will form part of your formative assessment and will play a role in awarding you the required 03 credits that are to be achieved upon completion of this module.

Write neatly and legibly and ensure that you do not simply copy the information contained in the learner reference guide into your workbook. Give your own opinion and ideas where applicable and write the answers in your own words to indicate your level of understanding and learning.

Good luck with the completion of this workbook.

LEARNING UNIT 1

Documentation

LEARNING OUTCOMES

A learning credited with this unit will be able to:

1. Interpret the meanings of relevant definitions as contained in the Firearms Control Act 60 of 2000 correctly by relating them to the various sections of the act.
2. Understand the legislative requirements of Section 84 of the Firearms Control Act of 2000 with regards to the carrying of firearms in public places and demonstrate the correct application thereof.
3. Know the two circumstances under which the firearms Registrar will consider the issuing of a firearm licence, and understand the requirements, conditions and provisions that accompany such authorization according to Section 13 and Section 20 of the Firearms Control Act 60 of 2000.
4. Understand under which conditions a licensed owner may permit any other person to use the firearm that he is licensed for according to Section 22 of the Firearms Control Act 60 of 2000.
5. Understand that a firearm licence is subject to renewal and know the applicable procedures and conditions that must be complied with before such renewal will be granted, according to Section 24 of the Firearms Control Act 60 of 2000.
6. Demonstrate an understanding of the periods for which the different categories of firearm licences will be valid, according to Section 27 of the Firearms Control Act 60 of 2000.

-
7. Explain the requirements that must be met with regard to the change of residential address according to Section 27 of the Firearms Control Act 60 of 2000
 8. Explain all the requirements that must be met with regards to defaced, lost or stolen licences, permits and authorisations according to Section 29 of the Firearms Control Act 60 of 2000.
 9. Explain all the requirements that must be met with regards to the prohibition and restrictions that are placed on the possession of ammunition according to Section 90 and Section 91 of the Firearms Control Act 60 of 2000.
 10. Understand that the Firearms Control Act makes provision for the requirements that must be followed by transporters of arms and ammunition in accordance with regulation 69 of the Firearms Control Regulations as contained in the Firearms Control Act 60 of 2000, and that these requirements are to be adopted as best practice for the transportation of firearms under any circumstances by firearm handlers.

LEARNER ACTIVITY 1

The learner must indicate, by means of a cross, the most correct answer.

Draw the cross through the correct answer in the space provided on the left of the most correct statement.

01. In terms of the Firearms Control Act ammunition means

- [A] Complete cartridge.
- [B] A primer
- [C] A and B
- [D] None of the above.

SELF-ASSESSMENT

The learner must make use of the following self-evaluation checklist to rate himself against the learning outcomes of this particular training module in establishing the level of mastery of the information.

1. Not able to comply
2. Reasonable compliance (Not acceptable for final evaluation)
3. Able to comply fully

LEARNING OUTCOMES		1	2	3
1	Interpret the meanings of relevant definitions as contained in the Firearms Control Act 60 of 2000 correctly by relating them to the various sections of the act.			
2	Understand the legislative requirements of Section 84 of the Firearms Control Act of 2000 with regards to the carrying of firearms in public places and demonstrate the correct application thereof.			
3	Know the two circumstances under which the firearms Registrar will consider the issuing of a firearm licence, and understand the requirements, conditions and provisions that accompany such authorization according to Section 13 and Section 20 of the Firearms Control Act 60 of 2000.			
4	Understand under which conditions a licensed owner may permit any other person to use the firearm that he is licensed for according to Section 22 of the Firearms Control Act 60 of 2000.			
5	Understand that a firearm licence is subject to renewal and know the applicable procedures and conditions that must be complied with before such renewal will be granted, according to Section 24 of the Firearms Control Act 60 of 2000.			
6	Demonstrate an understanding of the periods for which the different categories of firearm licences will be valid, according to Section 27 of the Firearms Control Act 60 of 2000.			
7	Explain the requirements that must be met with regard to the change of residential address according to Section 27 of the Firearms Control Act 60 of 2000.			

LEARNING OUTCOMES		1	2	3
8	Explain all the requirements that must be met with regards to defaced, lost or stolen licences, permits and authorisations according to Section 29 of the Firearms Control Act 60 of 2000.			
9	Explain all the requirements that must be met with regards to the prohibition and restrictions that are placed on the possession of ammunition according to Section 90 and Section 91 of the Firearms Control Act 60 of 2000.			
10	Understand that the Firearms Control Act makes provision for the requirements that must be followed by transporters of arms and ammunition in accordance with regulation 69 of the Firearms Control Regulations as contained in the Firearms Control Act 60 of 2000, and that these requirements are to be adopted as best practice for the transportation of firearms under any circumstances by firearm handlers.
