HOW THIS LEARNER WORKBOOK IS COMPILED

This learner workbook has been compiled to lead learners towards achieving knowledge, skills and attributes that would enable them to apply the provisions of the legislation that regulates the registration of security providers.

1. Explain the role of Private Security Industry Regulatory Authority (PSIRA) in terms of regulating the security industry
2. Explain the requirements that must be complied with as a security service provider
3. Explain the obligations and requirements that must be met in terms of the code of conduct for security service providers

You have to study the content and guidelines given in your learner reference guide to complete this workbook.

Remember that this completed workbook must be handed in as it will form part of your formative assessment and will play a role in awarding you the required 04 credits that are to be achieved upon completion of this module.

Write neatly and legibly and ensure that you do not simply copy the information contained in the learner reference guide into your workbook. Give your own opinion and ideas where applicable and write the answers in your own words to indicate your level of understanding and learning.

Good luck with the completion of this workbook.
