## Scenario

*You are working as a security guard for a private security company and your Manager is so impressed with your performance that she has asked you to help her in preparing some materials to be used to train new employees.*

*She knows that you have recently been trained in oral communication and would like to check your understanding of the Learner Guide and so asks you a series of questions.*

*You are required to answer all of the following questions which she has set you:*

- 1 The Learner Guide lists 3 things that working in groups enables you to do, please fill in the missing words **(3 marks)**

- Develop \_\_\_\_\_ skills
- Develop intellectual and professional \_\_\_\_\_
- Personal \_\_\_\_\_

- 2 List the 5 basic elements of group learning **(5 marks)**

---

---

---

---

---

- 3 Lerato understands that there are 4 general categories of **Why** you are talking, list them below **(4 marks)**

---

---

---

---

- 4 Following on from this, it is important to understand **Who** you are talking to in terms of how you identify them as listeners. There are 3 terms listed, complete the brief terms below **(3 marks)**:

- ♦ listener type and their level of E \_\_\_\_\_
- ♦ listener's P \_\_\_\_\_ in using the information
- ♦ listener's A \_\_\_\_\_ to both you and the content of your presentation

- 5 **The Communication Model.**

Briefly describe the following words as described in respect of The Communication Model **(6 marks)**:

**Sender:**

---

**Message:**

---

**Receiver;**

---

---

6. Lerato intends to set up a meeting of all of the people involved in assisting her with the training program, what are the 3 things that the group should ensure that it does when their task is assigned – fill in the missing words below: **(3 marks)**

- Have an early \_\_\_\_\_ meeting
- Meet \_\_\_\_\_
- Let \_\_\_\_\_ have a say

- 7 Lerato thinks that the meeting will identify the need for the new employees to be interviewed so that she can fully understand their individual learning needs. She has heard you talking to people about 'Open' and 'Closed' questions and want you to tell her which type the following questions are **(6 marks)**:

| Question                                                        | Question Type (state whether 'Open' or 'Closed') |
|-----------------------------------------------------------------|--------------------------------------------------|
| Did you walk to work today?                                     |                                                  |
| How old are you?                                                |                                                  |
| How many people have you ever arrested?                         |                                                  |
| Do you like patrolling alone at night?                          |                                                  |
| How did you get to work today?                                  |                                                  |
| What do you find most enjoyable about being a security officer? |                                                  |

- 8 You remember Lerato once saying that when she was younger she often got asked questions during interviews which she did not think were appropriate (permissible or advisable). In the boxes below, state whether the questions are appropriate during interviews or when questioning people **(6 marks)**:

| Question                                                                   | Permissible or advisable? |    |
|----------------------------------------------------------------------------|---------------------------|----|
|                                                                            | Yes                       | No |
| What does your girl/boyfriend think about you applying for this job?       |                           |    |
| If you have to work night-shift, who will look after your children?        |                           |    |
| Why do you want his job?                                                   |                           |    |
| What religion are you?                                                     |                           |    |
| How much did you earn in your previous job?                                |                           |    |
| If I let you off with this, will you go out for a drink with me on Friday? |                           |    |

- 9 Lerato asks you to arrange a formal meeting with the new employees and asks you to prepare it for her. List 5 things that you needs to consider when preparing for a meeting (**5 marks**):

---

---

---

---

---

- 10 She also asks you to prepare the Agenda for the meeting, briefly explain what a meeting Agenda is (**2 marks**):

---

---

- 11 There are other methods of communication which people can use. Which of the following are normally appropriate to being used within a business environment – tick the correct answer (**3 marks**)?

| Communication method | Normally used within a business environment |    |
|----------------------|---------------------------------------------|----|
|                      | Yes                                         | No |
| Discussion           |                                             |    |
| Debate               |                                             |    |
| Negotiations         |                                             |    |

- 12 Lerato has to attend a meeting with Finance and Human Resources (HR) to decide how much the new employees will be paid during their training period. She asks you about the Negotiation Model and how it should start and finish. The extracts below are taken from the Model, fill in the missing words to complete them (**3 marks**)

Start: Summarise/confirm areas of \_\_\_\_\_ and clarify areas of \_\_\_\_\_

End: Generally \_\_\_\_\_

- 13 Just as you are thinking it is time for a cup of tea, one of your colleagues approaches you and asks you to explain to them what is meant by the term **Register**. You remember that it refers to appropriate language but your colleague asks you for specific examples of issues which are not normally relevant in the workplace. List 5 such issues that have been identified in this respect: (**5 marks**)

---

---

---

---

---

- 14 While you were drinking your cup of tea, Lerato was thinking about how good you have been doing and thought it would be a good idea if you helped her make some of the presentations to the new employees.

If you were to do this, you remember from your studies that you need to use your voice to establish rapport, maintain interest and emphasize points.

What are the 5 things that can help you to achieve these aims when presenting – please list them below: **(5 marks)**

---

---

---

---

---

- 15 You immediately think about planning a presentation and remember that there are 4 things that you need to determine when preparing. Complete the missing words in the following requirements: **(4 marks)**

- The \_\_\_\_\_ of talk you'll be expected to give
- The \_\_\_\_\_ of the audience
- The \_\_\_\_\_ allotted for the talk
- Expectations of the \_\_\_\_\_ content

- 16 You discuss your presentation with Lerato and she suggests that you prepare some Cue Cards to help you. Which of the following statements is correct in respect of cue cards: **(2 marks)**

They are a visual aid for:

- 1) you
- 2) the audience

And

- 3) must fit in the palm of your hand
- 4) must be printed in full colour

Choose the correct answer from the options below:

- a) 1 only
- b) 2 and 4
- c) 1 and 3
- d) 1,2,3 and 4 are all correct

- 17 The end of the working day finally arrives and you go home to relax quietly with you partner. Having started to relax, your partner asks you how your day went and you explained everything that Lerato has been discussing with you.
- Your partner suggest that it is really important that you remember to be careful about the use of language and to ensure that you get your facts right and beware of giving opinion to new employees.
- Your partner decides to test your understanding of fact and opinion and asks you to identify which are the following statements are examples of fact or opinion – tick the correct box in each case: **(10 marks)**

| Statement                                                                           | Fact | Opinion |
|-------------------------------------------------------------------------------------|------|---------|
| Table Mountain is in Cape Town                                                      |      |         |
| BMW makes the best car in the world                                                 |      |         |
| Dogs make the best pets                                                             |      |         |
| South Africa is in the Southern Hemisphere                                          |      |         |
| BafanaBafana are my favourite international football team                           |      |         |
| Laptop computers are better than desktop computers                                  |      |         |
| Only the police should be allowed to carry firearms in South Africa                 |      |         |
| The Safety and Security Sector Education and Training Authority is known as SASSETA |      |         |
| Night shift is more enjoyable than Day Shift                                        |      |         |
| Men drivers are better than women                                                   |      |         |

**TOTAL** \_\_\_\_\_
